AMENDMENT PURSUANT TO 37 CFR § 1.111

This amendment is responsive to an Office Action dated **September 26, 2002**, issued in connection with the above-identified application. A full set of substitute drawings is submitted with this amendment. This amendment contains a clean version of the claims and amended portion of the specification, a remarks section, and a marked-up version of the amended portions of the specification showing changes made. No new matter is added. Reconsideration is respectfully requested in view of the following.
